Fairhaven: A Fair Housing Simulation

Fairhaven is a town every REALTOR® should visit. Online, that is.

In November 2020, NAR launched Fairhaven a new fair housing simulation training for REALTORS® that uses the power of storytelling to help members identify, prevent, and address discriminatory practices in real estate. Inspired by real stories, this innovative online experience has agents work against the clock to sell homes in the fictional town of Fairhaven, while confronting discrimination in the homebuying process. Learners will also walk in the shoes of a homebuyer facing discrimination. The training provides customized feedback that learners can apply to daily business interactions.

This innovative training platform is available to all 1.4 million NAR members at no additional cost. Be an advocate for fair housing and the future of our industry. Commit to combating discrimination in real estate.
