

The REALTOR® REPORT

Dear Realtors® and Affiliates,

HELLO MAY! What a month it is going to be. First, let's recap April! You know that old saying, "April Showers bring May flowers! Well, if we put that saying in our world it would be April Listings brings May **SOLD!** Well, that is what is happening. The home market is busy with low inventory. Remember when the market is this busy we must make sure we follow the guidelines that are set in place. The "Realtor® Open House" weekends seem to be a success. Please give us your feedback about this event.

A huge "Thank You" to Pam Miller for her outstanding involvement with BCAR. Pam was very instrumental in several committees. Pam is headed in a different direction and we wish her all of God's Blessing and much happiness. BCAR welcomes two new board members Jeanni Prescan and Judy Plakosh. We are very excited to have them on board. Condolences and prayers to the family of Diane Duganich who passed away this month. Diane was an active Realtor® for over 40 years. Also, please continue to keep Elias Kazas, son of Realtor® member Silivia Kazas and their family in your prayers during their time at St Jude's Hospital.

I am fortunate to have attended several events that pertain to the changes that are taking place in Beaver County. Here is a short recap: Congressional Breakfast with Conor Lamb on April 8, which was sponsored by BCAR. The Corridors of Beaver County, hosted by the Pittsburgh Business Times on April 25. This was a very informative panel that addressed the positive and negative issues that face Beaver County as it grows. We as Realtors® should be in the KNOW! I realize that we have restrictions on what we are governed to say, but we should be aware on the ever-changing county and get involved. One of the most interesting meetings I attended recently was the Focus Summit Event that Lance Grable is presenting to Beaver County for the involvement of all residents. This program is asking YOU to help the county determine focus and direction. Lance Grable is also our guest speaker for BCAR's May 3 General Membership Meeting. This is another meeting designed to have you be in the KNOW! Attend this meeting! Hear about the upcoming changes that are occurring in Beaver County and be part of the development! Denis Sutter, Executive Director of the Habitat for Humanity will also be speaking on the opportunities and the mission of his organization. I would like to see a full house at this event. The committee chairs of these events work hard to bring you programs of interest! We need to take time out of our busy schedules to hear, educate and be a part of the future of Beaver County! Breakfast and prizes will be provided thanks to our ever supportive and wonderful affiliates!

The Beaver County Chamber of Commerce and BCAR have joined forces to help the incoming temporary and permanent residents find rental housing. We created links to each of our websites and added a Rental/Property Management directory for rentals only. Emails were sent out to all Brokers to participate in this. Brokers, if you have any questions, please reach out to Rose for more information or join us at the upcoming Broker Council Breakfast that will be occurring tentatively in May. Please look for emails on this event. We are looking to make this council very active again. We are also looking for committee members for the "Realtor Auction Committee". Please call me at 724-713-2337 if you are interested in being a part of this committee.

Wishing you a great May!!

God Bless and Always remember to "ENJOY LIFE"

Beverly

SOUTHWEST FIELD REPORT

The Field Report is published by the PAR Field Program which provides local associations across the state with government affairs representation.

Veronica Cardello—vcardello@parealtor.org

Legislative Meet and Greet – The Beaver County Association attended a legislative meet and greet with Congressman Conor Lamb. The congressman gave an update on jobs, new businesses, the energy sector and community development. These topics are a part of his plan to create lasting partnerships with local organizations throughout the county including public, private and non-profit.

Realtor® Clean Up Day – The Lawrence County Board participated in a clean-up day with the residents of the city of New Castle and local business owners. The clean-up day was to kick off the revitalization efforts promoted through the Lower Eastside housing project.

RPAC Purse Bash – Thank you to all who participated in the Butler County Association annual purse bash. This successful event had over 70 Realtor® members participating and raised over 320% of our 2019 goal. Congratulations!

Request a Visit – Over the past year, I've had the opportunity to meet with several offices as a guest speaker during their monthly office meetings. I've talked about the field program, the importance of investing in RPAC and addressed our legislative efforts. I look forward to attending more office meetings and meeting more Realtors®. Any office that would like to schedule a visit should contact me via email.

NAR SAFETY ALERT SYSTEM LAUNCHED

The National Association of REALTORS® has created a page for reporting member safety threats. For cases in which a physical or cyber threat to members warrants national attention, the REALTOR® Safety network will deploy an alert via social media. For incidents that don't meet the criteria for a national alert, the network will inform the local association.

The reporting page can be found at:
