

The REALTOR® REPORT

President's Message

As I round out my final quarter as being BCAR President it is my hope to finish strong. Lots of activity ahead of our association so let's just get right into the lineup!

First of all a giant "Thank You" to our BCAR Affiliates for an amazing Round Table event. Great networking and extremely informative. We are all looking forward to Holiday Beginnings in December!

Due to a low response for SteakGate the committee has decided to cancel the event and we are determined to plan an even better get together for next year.

What's ahead of us? **The Annual Charity Auction!** We are looking for donations such as golf packages, tickets to sporting events, monetary donations or anything interesting you think our attendees will enjoy. Donations need to be in by Monday, October 16th to the association office. Please contact Vic Smith at vsmith@thepreferedrealty.com.

At our last Board of Directors meeting we became aware that our bylaws were not followed properly regarding our nominating process. A new nominating committee was appointed and the slate is as follows:

President Elect:	Beverly Pietrandrea – Bovard Anderson, Beaver Bob Williams-Oxford Realty
Secretary:	Denise Molchen-Donnelly-Howard Hanna, Beaver Judy Plakosh-Howard Hanna, Beaver
Treasurer:	Sherm Hostetter-Sherman Hostetter Group
Directors:	Jeff Ammerman-RE/MAX Select, Cranberry Ruthanne Belus-Northwood, Cranberry Barb Cardinale-Coldwell Banker, Moon Twp Mary Demas-Howard Hanna, Beaver Bonnie Howe-Northwood, Cranberry Silvia Kazas-Howard Hanna, Beaver Pam Keczmer-Howard Hanna, Beaver Pamela Miller-Northwood, Beaver Kathy Pfister-Coldwell Banker, Moon Twp Jean Randza-Berkshire Hathaway, Beaver Steve Roberts-SWC Properties, Beaver Rudy Zetz-Oxford Realty

The election will be conducted by electronic vote or paper ballot. (Paper ballots and Petitions available upon request by contacting association office). Please see page 3 for details of how to vote on-line.

Voting will be conducted electronically at www.mybcar.com, starting Tuesday, October 17th through midnight Tuesday, October 31st, 2017.

I AM THE VOICE OF REAL ESTATE.

**I WILL MAKE IT HAPPEN OR WONDER WHAT HAPPENED *and*
IF IT'S MEANT TO BE, IT'S UP TO ME.**

SOUTHWEST FIELD REPORT

The Field Report is published by the PAR Field Program which provides 28 local associations across the state with government affairs representation.

Veronica Cardello—vcardello@parealtor.org

Local Council of Governments—The local Council of Governments invited the **Beaver County Association** to participate in their regional meeting. Realtors® had the opportunity to talk with local municipalities' representatives about their concerns within the county. These concerns were focused on blighted or vacant homes, community economic development projects and how the Realtors® association can be a resource for local community development.

Economic Development in Beaver County - Brokers from the **Beaver County Association** held a meeting concerning economic development in the county. Meeting presenters included Dennis Nichols, chair of the Beaver County Chamber of Commerce and Community and Economic Development Task Force,

Hal Martin of Howard Hanna and Jael Jones of the Pittsburgh Prospector Database and Industrial Development Opportunities. The program provided detailed insight on the commercial listing marketing and the impact that forecasted economic development will have on the real estate business in the county.

Meetings with our State Legislators—Over the course of the summer months, Realtors® have met with state representatives to share concerns about private property rights, the local communities and the state budget. Reps. Bud Cook, Justin Walsh, Rob Matzie and Cris Dush met with the **Beaver County Association**, the **Realtors® Association of Westmoreland, Indiana and Mon Valley** and the **Washington-Greene Association**. More meetings will be conducted throughout the fall. Please contact me you are interested in attending a meeting with your legislator.

BCAR hosts Beaver County Chamber Economic Development Taskforce and The Pittsburgh Prospector

Brokers, as well as commercial and residential REALTORS attended a meeting on Thursday, August 30 that gave an overview of the economic development that is being forecasted for our region and how to engage in a way that is profitable for REALTORS.

Hal Martin and Dennis Nichols of the Beaver County Chamber of Commerce Economic Development taskforce, both gave testament to the importance of this opportunity and detailed the measures that the county and the Chamber of Commerce are taking to roll out the red carpet to potential industries and businesses that are considering relocating or starting businesses in Beaver County.

Jael Jones presented the functionality of The Pittsburgh Prospector website (www.pittsburghprospector.com) which is a data driven site for prospective businesses to utilize. The site showcases community profiles, mapping services and hosts free listings for commercial properties. Several brokers invited Jael to their offices to present how this no-cost database can help sell commercial properties and how it can provide a better understanding of economic development actions underway in Beaver County as well as the benefits of the life style in Beaver County that will make them more knowledgeable and help promote their business.

When asked how the BCAR membership can try to “make it happen”, Martin replied “REALTORS need to become trained Ambassadors for Beaver County and spread the good word about the advantages of being a Beaver County resident. Also they can help with the engagement of developers in creating good housing stock.”

Initiatives that are being promoted to showcase Beaver County are:

1. Ambassadors for Beaver County with categories such as:

- New Housing Plan Development
- Liaisons to Municipalities and School Districts
- RE-development of existing housing
- Commercial database (Pittsburgh Prospector)
- Social media creation and maintenance.
- Industrial Site Development
- Liaison to other PA counties, Ohio and West Virginia
- Liaison to infrastructure development including municipal water and sewage

2. Entrepreneurship and Innovation

3. Freedom Road Improvement - New Business Development

4. Ancillary Business to Shell

VOTE! VOTE! VOTE!

The general election is coming up on **Tuesday, November 7**. To be eligible to vote in Pennsylvania's general election this fall, you must be registered before Tuesday, October 10.

There are several ways to register to vote:

Register through the Pennsylvania Department of State's online application.

Register at a County Voter Registration Office or other designated sites.

- Register by mail.
- Register at a PennDOT photo center.
- Register at many other state government offices.

Not sure if you're already registered? Visit VotesPA.com to check your registration status.

FLOOD INSURANCE EXTENDED THREE MONTHS

President Donald Trump signed a three month extension of the National Flood Insurance Program, ensuring insurance won't lapse on Sept. 30. The program's next expiration date is December 8. NAR's Call for Action concluded September 8. NAR will continue legislative advocacy efforts for the 21st Century Flood Reform Act, which provides for long-term reauthorization and makes needed reforms.

CLOSING COST FEES

PAR has created a website that highlights research conducted about closing cost fees in the commonwealth. The research was conducted to help legislators understand the increasing burden on homebuyers. Realtors® are encouraged to talk to their state legislators or other elected officials about these fees and direct legislators to ClosingCostsPA.com. The site allows users to search for the closing costs in specific counties.

PAR URGES SUPPORT OF PROPERTY TAX REFERENDUM

PAR is conducting a targeted consumer campaign to encourage Pennsylvania voters to support the Property Tax Relief and Homestead Exclusion referendum on the ballot in the November election.

If passed, the referendum would allow the state legislature to amend the state constitution to authorize local taxing authorities to exclude from taxation an amount based on the assessed value of homestead property. The General Assembly would still need to enact new legislation which would provide the guidelines and parameters. The referendum would not apply to commercial properties. The Homestead Exclusion Amendment is one step toward achieving real property tax reform.

Watch for more information in the upcoming weeks.
