

The Pennsylvania Realtors® PAC is pleased to announce a new tool on the PAR website that highlights the candidates RPAC is supporting in your legislative districts.

The Election Guide:

<https://www.parealtor.org/for-members/legislative/rpac/election-guide/> will provide you with a list of the RPAC-supported candidates you will see on your ballot on election day on Nov. 6. And, you'll have the ability to print or email your ballot, as well as share the Guide on social media.

Anyone can visit the site, enter their address and learn about the candidates RPAC is supporting.

And, remember these important deadlines:
